Can be fit to  
extreme pitches

15 year guarantee

Quick & easy  
installation

## THE BENEFITS

### Cambridge Xtreme 9.5 Shingle

- Watertight to extreme pitches from as low as **9.5 degrees** all the way up to **90 degrees!**
- **15 year guarantee**
- Larger shingle size gives **more coverage** than standard shingles, increasing the **efficiency** and **cost effectiveness** of the tile
- Extremely **easy to install**, resulting in **faster implementation** of the shingles, perfect for refurbishment projects
- **Natural tones and colours** provide appearance of traditional roof tile
- This **water-shedding** and **weather-resistant** tile makes it perfect for any homeowner
